

# Stayner Minor Baseball Code of Conduct

## Our Mission:

We are a **house league**. Our aim is to have **FUN** and Learn the **FUN**damentals of Baseball.

1. All coaching staff, players, and parents must remember that they represent Stayner and must act with respect and consideration to others.
2. All spectators, coaches, and players shall show good sportsmanship towards umpires and all teams, be it their own or opposing teams. Anyone displaying intolerable behavior or using profanity could face suspension.
3. As it is a privilege to have the use of playing fields, (home or away) it is up to each individual to treat these facilities with respect.
4. **Umpires' decisions are final**, including young umpires who are just learning. Protests from coaches, parents and spectators will be considered intolerable behaviour. Only coaches shall ask the umpires for clarification on a call.
5. Because we are a house league, our coaches will strive to create **equal playing opportunities for all players**, keeping safety in mind and ensuring that a player's ability is neither exploited or puts any player in harms way.
6. Coaches consider practices very important. Players are expected to attend every practice. If a player cannot make it to a game or practice they shall notify the coach.
7. Any concerns should be forwarded to the coaching staff. If it cannot be resolved by this manner, it then should be forwarded to the executive committee.
8. Equipment & uniforms will be handed out in good condition; it is expected to be returned in the same manner.

Thank you

Your Stayner Minor Baseball Executive
